

Privacy Policy

Effective date: October 18th, 2019

AI Pictures , Inc. (“we,” “us” or “our”) provides this privacy policy (“**Privacy Policy**”) to explain our practice regarding the collection, use, share and protection of information in relation to its mobile application AI Portraits (“**AI Portraits**”). This Privacy Policy applies to all visitors, users, and others who access AI Portraits (“**Users**”, “**you**”). By accessing or using AI Portraits you signify that you have read, understood and agree to our collection, storage, use and disclosure of your information as described in this Privacy Policy.

1. INFORMATION WE COLLECT

We only collect information as stated below. This information is being used for analytical purposes. To the extent information covered by this Privacy Policy is associated with an identified or identifiable natural person and is protected as personal data under applicable data protection laws, it is referred to in this Privacy Policy as “**Personal Data**”. We do not collect or store any other data (including Personal Data) unless you provide it voluntarily. When provided voluntarily, we will not distribute or share your information with any third party without your consent.

We collect the following types of information (hereinafter – “**Collected Information**”):

Analytics information. We use analytical tools of our third party providers (hereinafter – “**Third Party Providers**”) such as Facebook Analytics, Crashlytics, Firebase and AppsFlyer to help us measure traffic and usage trends for AI Portraits. These tools collect information sent by your device or AI Portraits including log file information, cookies, device identifiers and the web pages you visit when following the links available to you on AI Portraits. Third Party Providers aggregate the collected data so that it cannot reasonably be used to identify any particular individual User. This collected data provides us with analytics and measurement reports so that we can improve AI Portraits.

Cookies and similar technologies. When you use AI Portraits, we may use cookies and similar technologies like pixels, web beacons, and local storage to collect information about how you use AI Portraits and provide features to you. We may ask our partners to serve the services to your devices, which may use cookies or similar technologies placed by us or the third party.

Log file information. Log file information is automatically reported by AI Portraits each time you make a request to access (i.e., visit) it. It can also be provided when the content of AI Portraits is downloaded to your device.

When you use AI Portraits, our Third Party Providers automatically record certain log file information, including your web request, Internet Protocol (“IP”) address, browser type, referring / exit pages and URLs, number of clicks and how you interact with links on AI Portraits, domain names, landing pages, pages viewed, and other such information. The information allows for more accurate reporting and improvement of AI Portraits.

Device identifiers. When you use a mobile device like a tablet or phone to access AI Portraits, we may access, collect, monitor, store on your device, and/or remotely store one or more

“device identifiers.” Device identifiers are small data files or similar data structures stored on or associated with your mobile device, which uniquely identify your mobile device. A device identifier may be data stored in connection with the device hardware, data stored in connection with the device’s operating system or other software, or data sent to the device by AI Portraits.

A device identifier may deliver information to us or to Third Party Provider about how you browse and use AI Portraits and may help us or others provide reports. Some features of AI Portraits may not function properly if use or availability of device identifiers is impaired or disabled. Among others we collect the following device identifiers:

- User Device ID
- Platform (iOS/Android)
- Device OS Version
- App Version
- First request time
- Language
- Region/Country
- Timezone
- Model
- App Version

2. INFORMATION WE USE BUT NOT COLLECT

For use of AI Portraits you may provide us and upload to AI Portraits your face images (photo or video). In order to make possible for you to use certain functions of AI Portraits, we will process (provided by you) human face images (photo or video) through Apple Vision API technologies that will provide us information about such human faces’ position, orientation and their topology on your image and/or video frame. For more information about Apple Vision API technology we use, you may visit: <https://developer.apple.com/documentation/vision>. Images (photo or video), that you provide us in or through AI Portraits, and/or other information related to human faces obtained from your images (photo or video) and/or through the use of Apple Vision API technologies, are the “**Face Data**”. The Face Data shall be considered the Personal Data. Notwithstanding anything to the contrary in other Sections of this Privacy Policy in relation to the Personal Data, we do not:

- collect, store, share or transfer the Face Data off the User devices;
- use the Face Data to identify any particular individual User;
- use the Face Data for authentication, advertising, or marketing purposes, or to otherwise target a User in a similar manner;
- use the Face Data to build a User profile, or otherwise attempt, facilitate, or encourage third parties to identify anonymous Users or reconstruct User profiles based on the Face Data;
- transfer, share, sell, or otherwise provide the Face Data to advertising platforms, analytics providers, data brokers, information resellers or other such parties.

You hereby express your informed written consent on processing of your Face Data as described in this Section 2 of the Privacy Policy.

3. HOW WE USE COLLECTED INFORMATION AND PERSONAL DATA

Collected Information is used mainly for analytical purposes in order to constantly improve and maintain our services, including among others, for ensuring the technical functioning of our network, to help preventing fraudulent use of AI Portraits and for developing new services. In addition to some of the specific uses of information we describe in this Privacy Policy, we may use information that we receive (including Personal Data) for the following purposes:

- to provide, improve, test, and monitor the effectiveness of AI Portraits;
- to develop and test new products and features;
- to monitor metrics such as total number of visitors, traffic, and demographic patterns (including via third party services as specified in Section 5 of this Privacy Policy);
- to diagnose or fix technology problems;
- to automatically update AI Portraits application on your device;
- to send you technical notices, updates, security alerts and support and administrative messages;
- to link or combine with information we get from others or (and) from you to help understand your needs and provide you with better service (to use in training of neural networks, artificial intelligence, as well as for any other automated decision-making processing);
- for any other purposes disclosed to you at the time we collect Personal Data or indicated in this Privacy Policy.

We will not process your Personal Data in a way that is incompatible with the purposes for which it has been collected or subsequently authorized by you in accordance with Section 3 of this Privacy Policy or collect any Personal Data that is not required for the mentioned purposes (“**purpose limitation principle**”). For any new purpose of processing, we will ask your separate consent. To the extent necessary for those purposes, we take all reasonable steps to ensure that Personal Data is reliable for its intended use, accurate, complete, and current. We also undertake to collect only such amount and types of Personal Data that are strictly required for the purposes mentioned in this Section of the Privacy Policy (“**data minimization principle**”).

4. YOUR RIGHTS

Under certain circumstances, Users who are resident in EEA, have rights under the General Data Protection Regulation (the “**GDPR**”). If you wish to exercise any of the rights set out below, please contact us at privacy@aipictures.info.

- **Access.** You have a right to access your Personal Data that you provide when using AI Portraits and ask us about what kind of Personal Data we have about you. You can do this by writing to us.
- **Rectification of Personal Data and Restriction of Processing.** You are responsible for ensuring the accuracy of the Personal Data that you voluntarily submit to AI Pictures, Inc. or AI Portraits. If you believe that your Personal Data is inaccurate, you have a right to contact us and ask us to correct such Personal Data. You shall also have the right to obtain restriction of processing of your Personal Data, if you contest the accuracy of the Personal Data which inaccuracy is verified by us.

- **Erasure of your Personal Data.** If you believe that your Personal Data is no longer necessary in relation to the purposes for which it was collected or otherwise processed, or in cases where you have withdrawn your consent or object to the processing of your Personal Data, or where the processing of your Personal Data does not otherwise comply with the GDPR, you have the right to contact us and ask us to erase such Personal Data as described above.
- **Right to object processing of your Personal Data.** You can object processing your Personal Data and stop us from processing your Personal Data. Please be aware that erasing Personal Data inserted by you may affect your ability to use AI Portraits.
- **Notification requirements.** We commit to notify you promptly and the data protection authority applicable to you within the timeframe specified in applicable law (72 hours) about any Personal Data breaches.
- **Data Protection Authorities.** Subject to the GDPR, you also have the right to (i) restrict our use of Personal Data and (ii) lodge a complaint with your local data protection authority about any of our activities that you deem are not compliant with the GDPR.

Please keep in mind that in case of a vague access, erasure, objection request or any other request in exercise of the mentioned rights we may engage you in a dialogue so as to better understand the motivation for the request and to locate responsive information. In case this is impossible, we reserve the right to refuse granting your request.

Following the requirements of the GDPR we might also ask you to prove your identity (for example, by requesting an ID or other proof) in order for you to invoke the mentioned rights. This is made to ensure that no right of third parties are violated by your request, and the mentioned rights are exercised by an actual Personal Data subject or an authorized person.

Please note that we will grant your request within 30 days after receiving it, but it may take up to 90 days in some cases, for example for full erasure of your Personal Data stored in our backup systems - this is due to the size and complexity of the systems we use to store data.

5. SHARING OF COLLECTED INFORMATION AND PERSONAL DATA

We will not rent out or sell Collected Information if it is Personal Data to third parties outside AI Pictures, Inc. (or the group of companies of which AI Pictures, Inc. is a part of) without your consent, except as parties with whom we may share information in accordance with this Policy.

Parties with whom we may share Collected Information. We may share Collected Information (including but not limited to, information from cookies, log files, device identifiers and usage data) with businesses that are legally part of the same group of companies where AI Pictures, Inc. is a part of, or that become part of the group (“**Affiliates**”). Affiliates may use this information to help provide, understand, and improve AI Portraits (including by providing analytics information) and Affiliates’ own services (including by providing you with better and more relevant experiences).

We also may share Collected Information from tools like cookies, log files, and device identifiers with Third Party Providers. The parties we share your Personal Data with are either EU-based or compliant with the EU-US Privacy Shield Framework that ensures that European data privacy

requirement are met. We also utilize standard contractual clauses and other contractual safeguards in order to protect your privacy and insure that all transfers of your Personal Data are safe and compliant with applicable laws.

6. HOW WE STORE, PROCESS AND TRANSFER COLLECTED INFORMATION AND PERSONAL DATA

Data Storage and Processing. Collected Information (including Personal Data) may be stored and processed in the United States or any other country in which AI Pictures, Inc., its Affiliates or service providers (processors) maintain facilities.

AI Pictures, Inc., its Affiliates, or service providers may transfer Collected Information (including Personal Data) across borders and from your country or jurisdiction to other countries or jurisdictions around the world. If you are located in the European Union or other regions with laws governing data collection and use that may differ from U.S. law, please note that we may transfer information, to a country and jurisdiction that does not have the same data protection laws as your jurisdiction.

Data security. We use reasonable and appropriate information security safeguards to help keep Collected Information (including Personal Data) secured.

7. CHILDREN'S PRIVACY

General age limitation. AI Pictures, Inc. does not knowingly collect or solicit any information from anyone under the age of 13. AI Portraits and its content are not directed at children under the age of 13. In the event that we learn that we have collected personal information from a child under age 13 without parental consent, we will delete that information as quickly as possible. If you believe that, we might have any information from or about a child under 13, please contact us.

Age limitation for EU residents. Due to requirements of the GDPR you shall be at least 16 years old in order to use AI Portraits. To the extent prohibited by applicable law, we do not allow use of AI Portraits by the EU residents younger than 16 years old. If you are aware of anyone younger than 16 using AI Portraits, please contact us at privacy@aipictures.info and we will take required steps to delete such information.

8. OTHER WEB SITES AND SERVICES

We are not responsible for the practices employed by any websites or services linked to or from AI Portraits, including the information or content contained within them. Please understand that this Privacy Policy applies only to information and Personal Data we collect from you. Where we have linked to a third-party website or service, you should read the privacy policy stated on that third-party website or service.

9. HOW TO CONTACT US. EU REPRESENTATIVE AND DATA PROTECTION OFFICER

10. CHANGES TO OUR PRIVACY POLICY

AI Pictures, Inc. may modify or update this Privacy Policy from time to time, so please review it periodically. We may provide you additional forms of notice of modifications or updates as appropriate under the circumstances. Your continued use of AI Portraits after any modification to this Privacy Policy will constitute your acceptance of such modification. In some cases, we may require you to expressly accept new privacy policy in order to continue using AI Portraits (for example if we expand types of Collected Information or introduce new purposes of collection and processing).
